

# YOUR FUTURE IS BRIGHT

## CHOOSE YOUR OWN PATH IN LIFE BY BECOMING AN ELECTRICIAN

The demand for electricians is growing. Work with the latest technology, impact lives, earn full-time wages while you learn and go to school, and secure high-demand, high-paying jobs!

During Apprentice School at IEC, you will work for a contracting company during the day while taking classes one night per week. Learn the skills you need with on-the-job training!

### SECURE YOUR FUTURE

Electricians have twice the demand than other jobs, meaning job security for life

### EARN COLLEGE CREDIT

Acquire useful skills while building up college credit

### EARN WHILE YOU LEARN

Gain experience and get paid for it

### OPEN DOORS

Get skills and experience that will give you the chance to pursue many career paths

## WHY BECOME AN ELECTRICIAN?

HIGHLY-SKILLED | HIGH-PAYING | JOB SECURITY

**\$56,180** Average salary

Average salary in other careers: \$39,810

**\$0** Average student loan debt at graduation

Average college student loan debt: -\$32,731
